

Welded Spiral Vane Solid Rigid Centralizer Fixed -DSW03

Available in 2 7/8" to 30 "sizes + any special sizes

SledgeHammer's Welded Spiral Vane Solid Rigid Centralizer Fixed is designed same as Welded Spiral Vane Solid Rigid Centralizer except rows of set screws on the outer periphery of centralizer to restrict rotation. It can be easily converted from fixed to non fixed design by detaching set screws and positioning with stop collars.

All centralizers are stored painted or coated with polyester powder. These are available in all sizes ranging from 3 1/2" to 20" . Any special sizes can be made available on request.
